

LIMITED WARRANTY FOR A NEW PB LIFT GATE

A. GENERAL PROVISIONS — The warranties below are provided by Parker Brothers Inc. (Parker Brothers) to the original purchaser of a new PB Lift Gate from Parker Brothers or authorized dealers. Under these warranties, Parker Brothers will repair or replace, at its option, any part which is found to be defective in material or workmanship during the applicable warranty term. Warranty service must be performed by a dealer or service center authorized by Parker Brothers to sell and/or service the type of equipment involved, which must use only new or remanufactured parts or components furnished by Parker Brothers. Warranty service will be performed without charge to the purchaser for parts or labor. The purchaser will be responsible, however, for any service call and/or transportation of product to and from the dealer's or service center's place of business, for any premium charged for overtime labor requested by the purchaser, and for any service and/or maintenance not directly related to any defect covered by the warranties below. These warranties are not transferable.

B. WHAT IS WARRANTED — These warranties cover all parts of the PB Lift Gate, except the winch and its controls (which may be warranted by their manufacturers under separate documents provided with each product), for the term specified below. Warranty statements covering the winch and related parts and components may be found in the operator's manual delivered with the equipment.

C. WHAT IS NOT WARRANTED — PARKER BROTHERS IS NOT RESPONSIBLE FOR THE FOLLOWING: (1) Used equipment; (2) Any equipment that has been altered or modified in ways not approved by Parker Brothers; (3) Depreciation or damage caused by normal wear, lack of reasonable and proper maintenance, failure to follow operating instructions, misuse, lack of proper protection during storage, or accident; (4) Normal maintenance parts and service; and (5) The winch and control box, which may be warranted by their manufacturers under separate warranties.

D. OBTAINING WARRANTY SERVICE — To obtain warranty service, the purchaser must (1) Report the product defect to an authorized dealer and request repair within the applicable warranty term; (2) Present evidence of the warranty start date; and (3) Make the equipment available to an authorized dealer or service center within a reasonable period of time.

E. LIMITATION OF IMPLIED WARRANTIES AND OTHER REMEDIES — To the extent permitted by law, neither Parker Brothers or any company affiliated with it makes any warranties, representations, or promises as to the quality, performance, or freedom from defect of the equipment covered by this warranty, except as specifically stated in this document. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE EXTENT APPLICABLE, SHALL BE LIMITED IN DURATION TO THE APPLICABLE PERIOD OF WARRANTY SET FORTH IN THIS DOCUMENT. THE PURCHASER'S ONLY REMEDIES IN CONNECTION WITH THE BREACH OR PERFORMANCE OF ANY WARRANTY ON THE PB LIFT GATE ARE THOSE SET FORTH IN THIS DOCUMENT. IN NO EVENT WILL THE DEALER, PARKER BROTHERS, OR ANY COMPANY AFFILIATED WITH PARKER BROTHERS BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. (Note: some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages and so the above limitations and exclusions may not apply to you.) This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

F. NO DEALER WARRANTY — The selling dealer makes no warranty of its own under this document and the dealer has no authority to make any representation or promise on behalf of Parker Brothers, or to modify the terms or limitations of this warranty in any way.

G. WARRANTY TERM — The warranty term for those parts covered under this warranty for the PB Lift Gate is 12 months from the date of purchase.
