Comes with both wireless remote controller and hardwired handset controller

Easy installation and removal makes PB Hitch Lift an essential tool for anyone that needs to move heavy objects with their truck

The Pit Bull Lift Gate

This lift gate can replace your tail gate and performs the duties needed to get heavy objects into your truck. No more backbreaking pain or calling the neighbor for help.

- The Pit Bull heavy duty full-size rugged diamond plate lift gate with 12 volt DC motor has a lifting capacity of 800 pounds
- Fits a two inch standard receiver
- True remote operation with handset having no cables connected to motor like all others
- Fold up ramp and platform for use as tailgate
- Attach and remove from vehicle in minutes
- Separates into two easily moveable parts in seconds
- Heavy duty rollers with pull bar to easily move from vehicle to vehicle or from vehicle to garage

Model	Lift Capacity	Platform/Ramp size	Platform/Ramp wt.	Base wt.
pb18h3	800 lbs	57" X 44"	39 lbs	155 lbs

The Pit Bull Terrain Lift

This lift extends the length of your truck bed creating much needed storage and lifts up to 1,200 pounds. Great for lifting your motorcycle or ATV.

- The Pit Bull heavy duty full-size rugged diamond plate lift gate with 12 volt DC motor has a lifting capacity of 1,200 pounds
- Fits a two inch standard receiver
- True remote operation with handset having no cables connected to motor like all others
- Extends your truck bed
